2024 SCHEDULE (see over)

The first Monday of the Month Feb - Dec 2024

## THINK AND GROW RICH

by Napoleon Hill

The original MASTERPIECE of 'how to' of WEALTH CREATION and leading a more fulfilling and happy life. As told to Napoleon Hill by Andrew Carnegie and his research of 100 of the world's richest business entrepreneurs in America in the 1900's.

A handwritten signature of Bob Proctor in black ink.

With exclusive video content with BOB PROCTOR who studied this book every day for 63 years of his adult life and built the world's most successful personal development company, Proctor Gallagher with his business partner and new CEO, Sandy Gallagher.

For those of you who may have struggled to read this vintage classic and still have not cracked the code to success and want to be financially free.
